THE COURSE

18 SCENIC HOLES OF GOLF NESTLED IN THE FOOTHILLS

A world class Par 72 golf course, favoured by locals and tour players for its challenge, fairness, beauty and tranquility. Located 30 minutes from downtown Redwood Meadows offers a nearby escape for your group to unwind.

The architects, Bill Newis and Stan Leonard took full advantage of the spectacular natural terrain. There are water hazards on seven holes, filled with crystal clear mountain water, straight from the Rockies.

Redwood Meadows meets the criteria of a truly memorable course having 18 individual and distinctive holes yet retaining a collective continuity from the first tee to the last green.

For golfers, Redwood Meadows is a paradise. A genuine challenge of championship caliber where birds and wildlife of all descriptions may well be your companions during your round.
